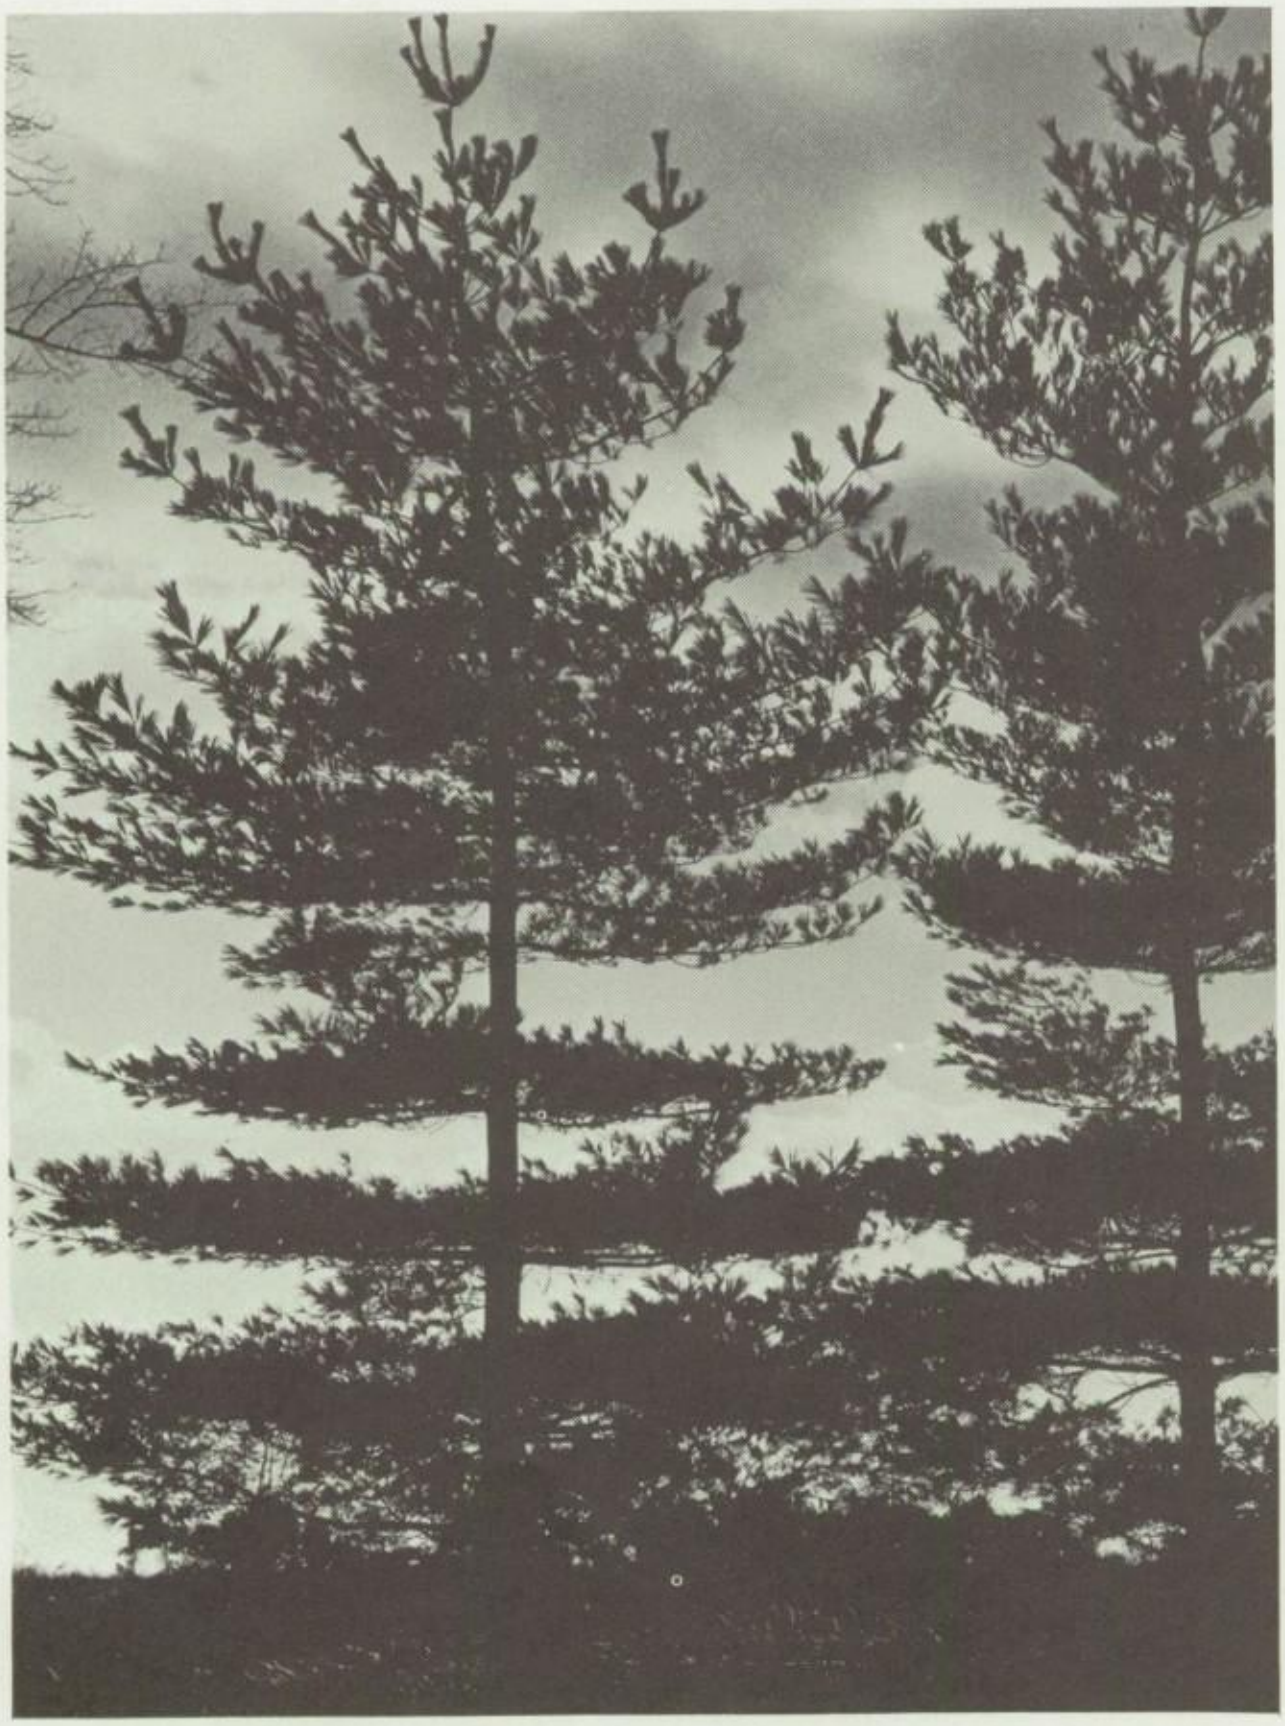
DEDICATION

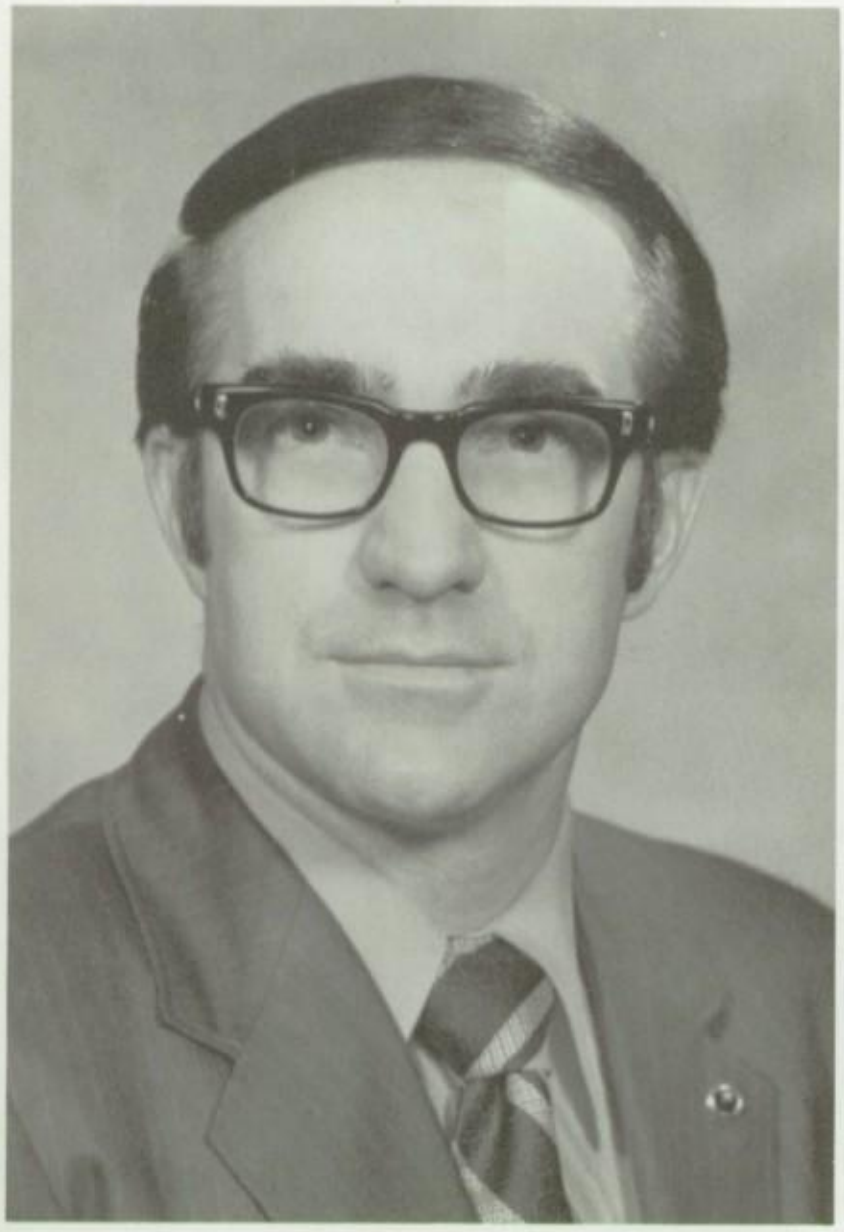
Mr. Robert Neel

Mr. Neel is leaving Northwestern after four years of varied accomplishments and efficient management of the school district. The results of Mr. Neel's continuous efforts to improve the school facilities can be seen both in and out of Northwestern's buildings. Perhaps Mr. Neel's most significant accomplishment is to be found in Northwestern receiving the AA rating from the Missouri State Department of Education. As an AA rated school, Northwestern will be able to remain as an independent district for several more years. It is for helping to provide this and other chances for Northwestern's continued future that this annual is dedicated to Mr. Robert L. Neel.

ADMINISTRATION AND FACULTY



Superintendent Strives For A Better School System



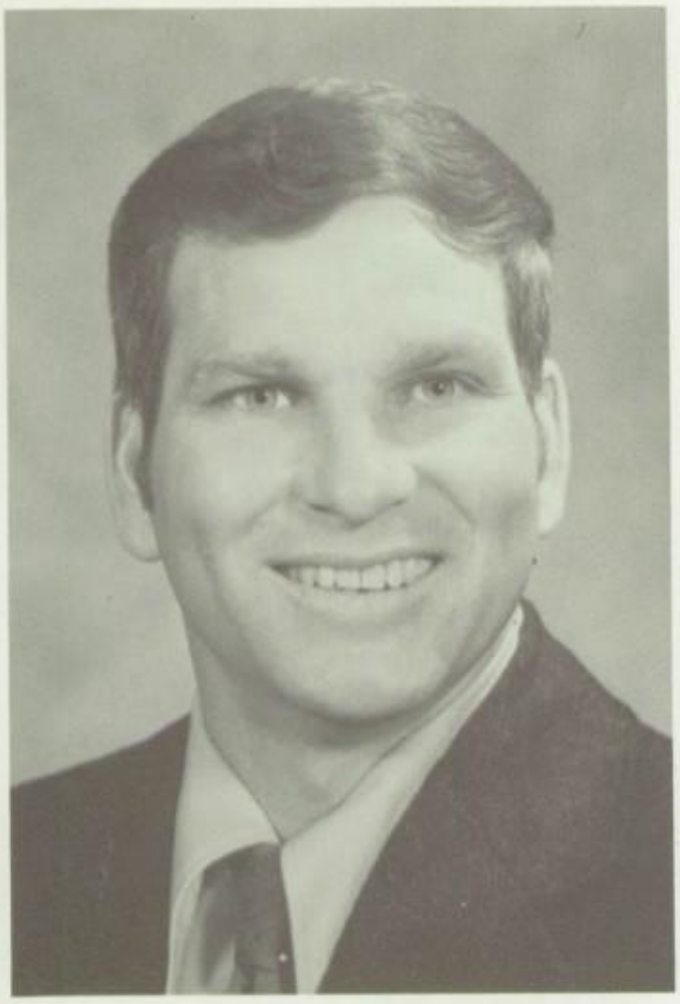
The free public school is one of society's agencies whose chief concern is the development of each individual to the utmost of his social, physical, mental, emotional and spiritual potentials. Education is not only a privilege but a duty and obligation for all.

Democrary is the only acceptable way of life to Americans. It is not inherited but must be learned and earned anew by each generation. The role of education, therefore, is apparent; its purpose is the preservation for enjoyment of, and the preservation and improvement of, a democratic way of life.

—Robert Neel

Mr. Neel is shown at right with his wife, Jan, and daughters, Shelly and Leslie.

Principals Keep Schools Running Smoothly



A basic goal of education is to develop students so that they can be successful both during school and in the future. Success may take many different forms and may be interpreted in many different ways.

A truly successful person is one who contributes in a postive way and to the utmost of his talents to the society in which he lives.

—Hurchel Sears
High School Principal

A child's education begins at home, but his formal education at school. We represent the first and perhaps the most important organized attempt to educate the "WHOLE" cnild.

At Northwestern Elementary we are trying to develop this individual's potential by giving the greatest educational opportunity available to meet the student's needs.

—Lowell Ranck
Elementary Principal

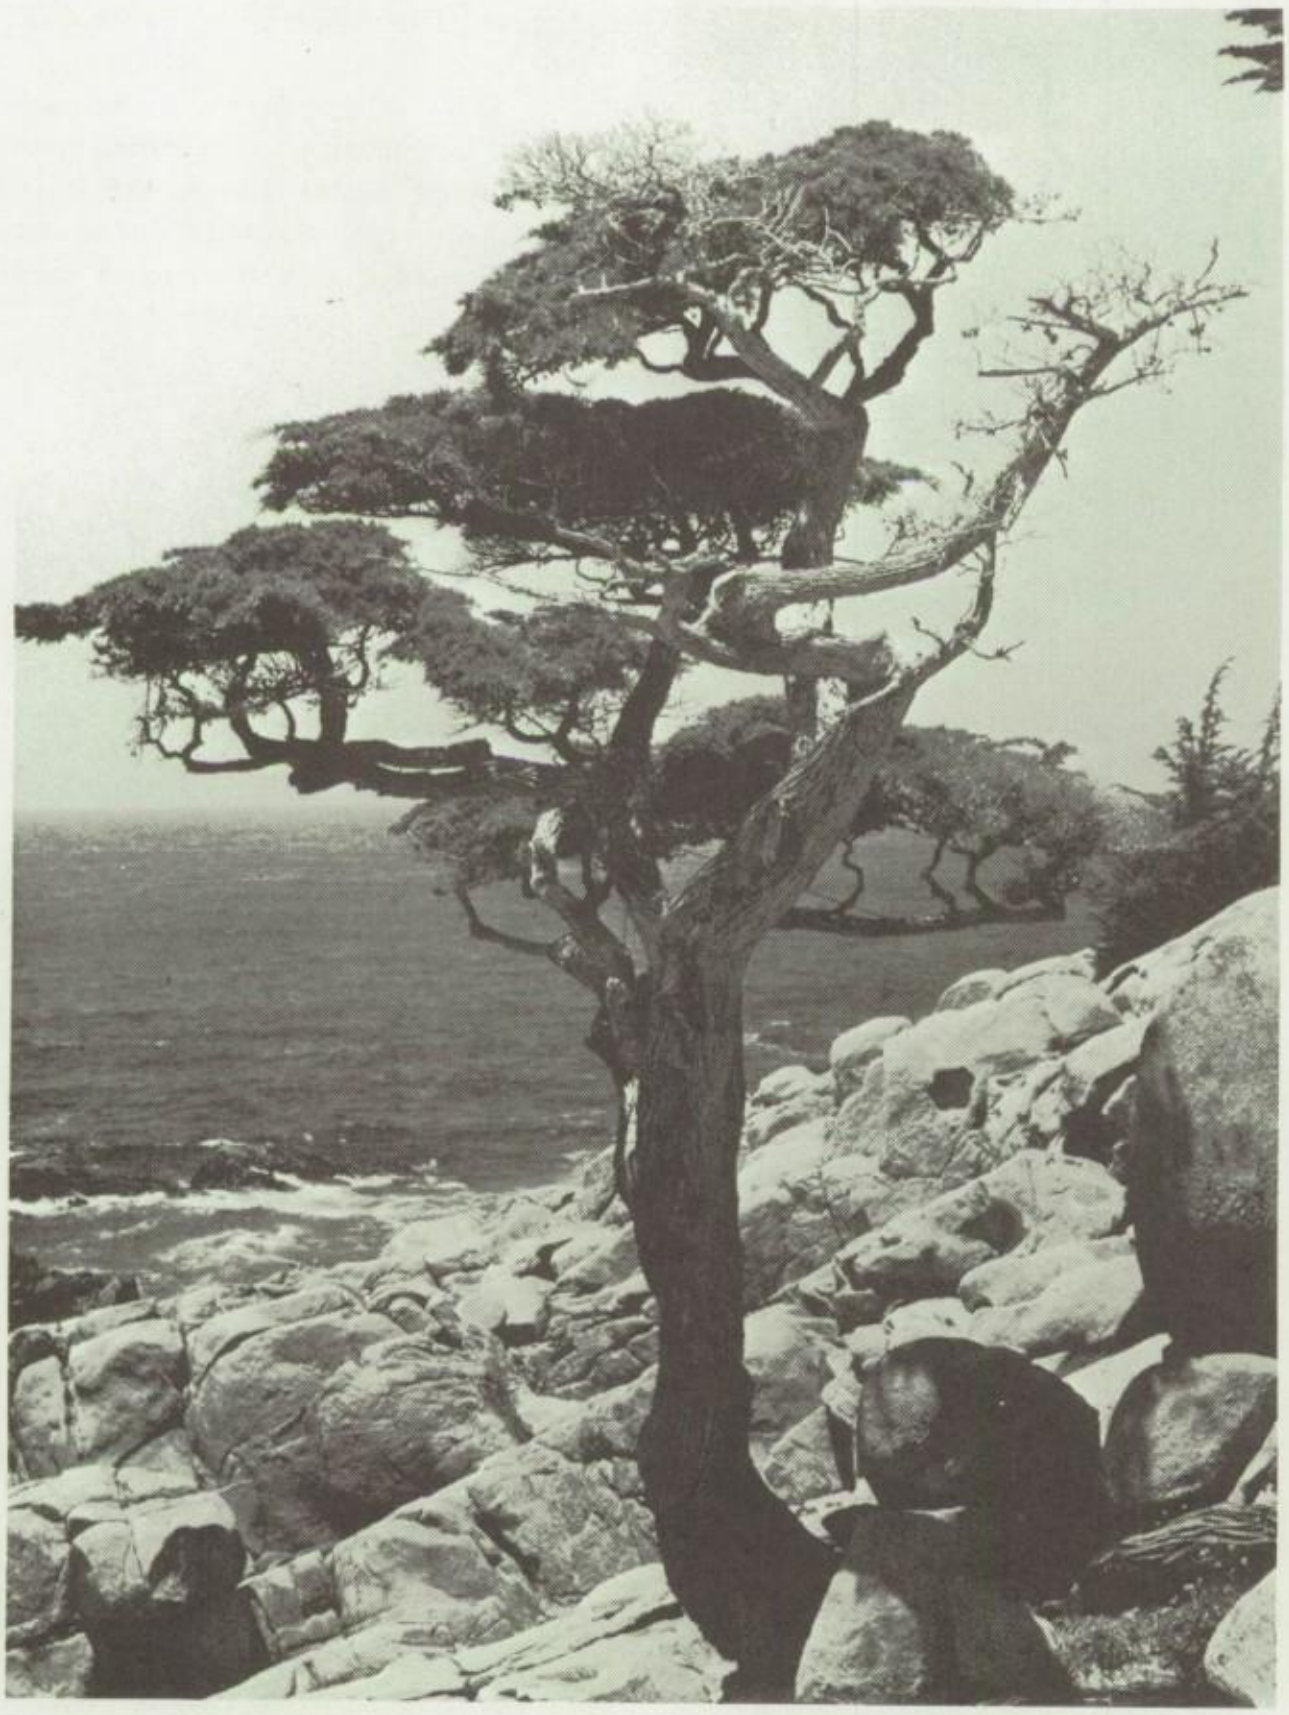
DANCES



The Juniors Of

Present "Pieces of April"

On April 19, 1974, the Seniors were honored with a banquet and dance by the Juniors. The theme of the Prom was Pieces of April.

The setting for the prom was a garden area. The garden was separated from the gym by draping pastel colored streamers to the floor. The ceiling showed floating white clouds on a blue sky. An archway and garden fence separated the dance floor and the tables.

Northwestern High School

For The Seniors

The band was the Triphammer. Punch and cookies were served throughout the dance by Debbie Rusher, Kathy Smith, Daryl Jacobs, and Doug Rusher, members of the freshman class.

Varsity Girls Strive To Constantly Improve Techniques

"BE THE BEST OF WHATEVER YOU ARE"

IF YOU CAN'T BE A PINE ON THE TOP OF THE HILL,
BE A SCRUB IN THE VALLEY-BUT BE
THE BEST LITTLE SCRUB BY THE SIDE OF THE RILL:
BE A BUSH IF YOU CAN'T BE A TREE.

IF YOU CAN'T BE A BUSH, BE A BIT OF THE GRASS,
AND SOME HIGHWAY HAPPIER MAKE;
IF YOU CAN'T BE A MUSKIE, THEN JUST BE A BASS—
BUT THE LIVELIEST IN THE LAKE.

WE CAN'T ALL BE CAPTAINS. WE'VE GOT TO BE CREW,
THERE'S SOMETHING FOR ALL OF US HERE.
THERE'S BIG WORK TO DO AND THERE'S LESSER TO DO.
AND THE TASK WE MUST DO IS THE NEAR.

IF YOU CAN'T BE A HIGHWAY, THEN JUST BE A TRAIL,
IF YOU CAN'T BE THE SUN; BE A STAR:
IT ISN'T BY SIZE THAT YOU WIN OR YOU FAIL—
BE THE BEST OF WHATEVER YOU ARE.
